1. Mineral reserves are inclusive mineral resources
2. Gold equivalent ounces have been estimated using ratios stated. IMZ Total % interest is calculated from gold equivalent ounces
3. Please read in conjunction with IMZ's NI 43-101 reports and news releases for a discussion of assumptions, parameters and for the Qualified Persons responsible for each estimate
4. Estimated mineral resources are not mineral reserves and do not have demonstrated economic viability
5. The technical information provided here was reviewed by IMZ's Qualified Person, VP Corporate Development Nick Appleyard
6. Gemfield and McMahan Ridge are reported at a 0.3 g/t cut-off. Goldfield Main is reported at a 0.4 g/t cut-off
